EX2

ELEGANT SMART PERFORMANCE

EX2 perfectly combines the heritage from Expobar traditional espresso machines with a contemporary design within the EX line.

It's contemporary & robust body includes Expobar's well known reliable and consistent hydraulics to offer a wide range of espresso-based drinks.

The EX2 is, in this sense, the best choice for those businesses looking for a smart balance between budget and performance.

The EX2 comes in three versions: 1 & 2 Group Compact and 2 Group to suit any style of coffee service.
